

I. About Department: -

Brief information of the department:

Power Development Department, UT Ladakh comprises of three verticals i.e. Generation, Transmission and Distribution. The Power Development Department, UT Ladakh is headed by a Secretary with two Chief Engineers for Generation & Distribution Wing, PDD, at UT level.

Citizen Charter:

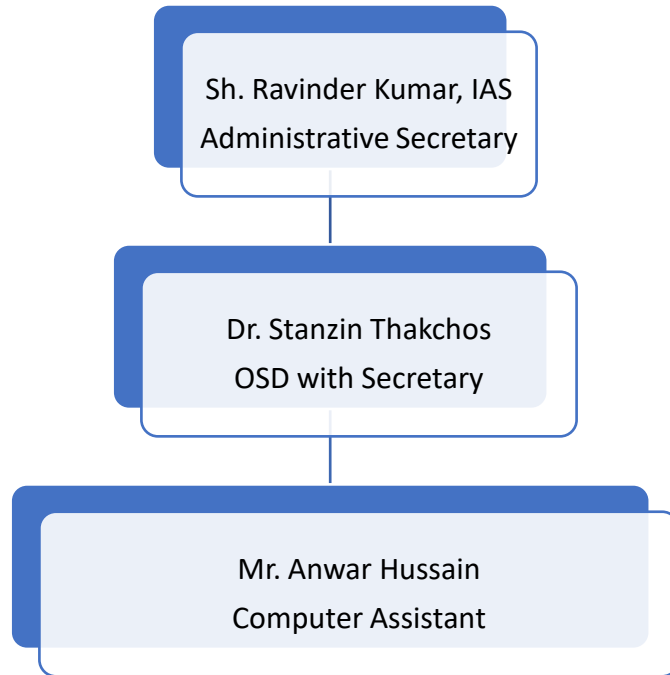

The Ladakh power Development Department (LPDD) has two wings. Distribution Wing of the LPDD headed by Chief Engineer Distribution looks after the Power Distribution system of Ladakh which involves the input of power from Grid Stations, Hydel Plants etc and further transmission of that power at 66KV/33KV and 11 KV for public utilization at LT Voltage. The department is engaged in the daily operation, repair and maintenance of electrical infrastructures in the UT for providing reliable and quality power to all its consumers. Further, the department also looks after the various infrastructure development works implemented under various Centrally Sponsored Schemes such as Saubhagya, DDUGJY, IPDS, RAPDRP, PMDP Rural and Urban etc. as well as projects under funding from UT Budget under State Capex and SDP. The Generation wing of the LPDD is headed by Chief Engineer Generation is engaged in the Operation and Maintenance of various Small Hydro Electric Projects in the Leh and Kargil Districts. This also involves preparing of DPRs for new projects, erection and construction of new projects.
